

## THE CANICATTI

PLAN # RF-NOO-002

Palisades and palm trees are a perfect match to this house. With its spacious interior and functional design, this home has your name written all over it. The two storey living room and foyer open this home to let you unwind after a hard week of work. The master bedroom is situated on the main floor while the four other bedrooms are on the second floor. An attached, double car garage allows for a safe access from your car and helps with the storage of all the precious memories that will come in the following years.
